

MOUNT CARMEL SCHOOL BHUNGA

Dear Parents, Guardians and Students,
Seasonal Greetings from Mount Carmel School Bhunga,

As we approach a very welcome Christmas break, may we the Management of Mount Carmel School Bhunga, take this opportunity to add our best wishes for a relaxing, refreshing and rejuvenating Festive Holiday Season. May we once again record our sincere thanks and appreciation for the collective efforts of everyone who was part of this Institution in the most challenging circumstances. We have pushed through some tough situations together as a community in the current year and we have had great success. It's encouraging to know that we can approach the Christmas & New Year break with a sense of optimism and look forward to a brighter future for our children in 2022.

The Christmas-New year holidays officially start from 23rd December 2021(Thursday). The reopening of the school is on 05-01-2022 (Wednesday). We hope that well spent time with family carries you all well into the new year. Once again we wish Merry Christmas and a Blessed New Year to each and every one of you.
